

# Interview Tips

- We expect an **interactive talk**
- **Be prepared** for questions such as:
  - Give an overview of your **education / professional career**, and name your three most important **mile stones**.
  - What has been your **biggest professional challenge** so far and how did you master it?
  - What do you **know about our company** and its products/services?
  - Why do you think that you are **the right candidate** for us?
  - What **interests** you most regarding the position/company?
  - What **assets** do you bring to our company?
- **Prepare your questions:**  
What do you want to know about us?
- Be **professional!**
